Est. Sect. Slip. 94 A

Office of the Executive Engineer,
Irrigation Projects Division(South),
Temple View, Malmaddy,
Dharwar, 18th February 1949.

As approved by Government in their Government Letter, Public Works Department, No.9252/36-3(I), dated the 22th October 1948, the office of the Irrigation Projects Division (South) has been shifted from Belgaum to Dharwar, where it is now functioning, at the above mentioned address, from 18th February 1949 before noon.

Id/-
Executive Engineer,
Irrigation Projects Division (South).

Copy forwarded with compliments for information to -

Subject:- Additional Gazetted Staff
for the Superintending Engineer,
Special Investigation Circle,
Dharwar.

~~Reference:-~~

I find that the amount of technical work in mine as well as Executive Engineers' Offices in this Circle, is increasing and one Technical Assistant (Deputy Engineer) attached to my office and one Overseer attached to each of the two Divisions in my Circle cannot manage it. It is essential to have a second Technical Assistant in my office and one Technical Assistant in each of the two Divisions.

2. Graduates are not now-a-days available as overseers, and those few that are available will soon be lost as they will be appointed as Deputy Engineers, 40 posts for whom are very recently advertised.

3. I, therefore, request approval to the following proposals:-

- (a) One more Deputy Engineer (Graduate good at theory) to be attached to the office of the Superintending Engineer, Special Investigation Circle, Dharwar.
- (b) One Deputy Engineer (Graduate good at theory) to be attached to the Office of the Executive Engineer, Irrigation Project Division (South), Belgaum.
- (c) One Deputy Engineer (with long experience in construction and good at drafting) to be attached to the office of the Executive Engineer, Ghataprabha Left Bank Canal Division, Dhupdal.

(a) and (c) above, will particularly be useful for machinery i.e. correspondence and for testing machines by actual demonstrations on spot, before purchase as well as for subsequent correspondence about upkeep, running costs etc.

4. I had made a request to the effect that 2 overseers should be attached to this office, 2 to office of the Executive Engineer, Irrigation Projects Division (South), Belgaum and one to the Executive Engineer, Ghataprabha Left Bank Canal Division, Dhupdal.

I request that instead of an overseer, the

the post of one to each Office should be that of
a Deputy Engineer. The request for the remainin
overseers to be attached to office still stands
and may also be approved.

Superintending Engineer,
Special Investigation Circle.

No.G-38

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 5th February 1949.

To

The Secretary to Government,
Public Works Department, Bombay.

Subject:- Appointment of temporary Deputy Engineers
in the Bombay Service of Engineers --
Class II (temporary cadre).

Reference : Government letter, P.W.D., No.9859/
36-III-E(I), dated the 26th January 1949.

2. With reference to para 4 of Government letter --
noted above requiring that a case should be made out for
attaching one more Deputy Engineer to my office and one each
to the offices of the Executive Engineer, Irrigation Projects
Division(South) and the Ghataprabha Left Bank Canal Division.
I invite attention to my No.G-38 dated the 8th January 1949.

3. However, I may further clarify so as to have a
self-contained report thus :-

(a) This office as well as the offices of the two
Executive Engineers in this Circle viz. Ghataprabha .
Left Bank Canal Division and Irrigation Projects Divi-
sion (South), has to deal with very highly technical
matters and several estimates costing lakhs and some
to crores of rupees each. In normal Circles and --
Divisions, the work consists mainly of ordinary and
special repairs to buildings and roads etc., though
there is a sprinkling of original works, but normally
much smaller in amounts than in this Circle. The -
nature of work is such that ordinary staff with expe-
rience in normal working of P.W.D. can deal with it.

(b) This is not so in the case of this Circle,
where very important projects whose estimated cost
amounts to crores of rupees are to be dealt with.
Normal Head Draftsmen and Overseers are not competent
to check the calculations or the estimates. One -
Technical Assistant (a Deputy Engineer) cannot cope
up with the work of these important Projects. If
extra staff and that too of Deputy Engineers with -
additional overseers to work under their directions
is not sanctioned, the projects will leave much to be
desired, resulting in loss of crores of rupees to
Government, as compared with a few thousands in the
form of pay of these Deputy Engineers and additional
overseers.

4. This can best be understood by ^{The following} examples :-

A - The choice of the Daddi Dam was nearly finalised
before the Special Investigation Circle was --
sanctioned. This would have involved a cost of
nine crores of rupees.

The possibility of alternative sites has
been considered and other dam sites explored
with the result that two sites, one at Ajra and
the other at Hadalga, have been found out, which
will give the same storage (or probably more)
in about 5 to 6 crores.

This alone will have saved three crores. -
True that no outside Deputy Engineer or Executive
Engineer was appointed but it is equally true
that other items of survey had to be set aside
for the above.

8th A
32.1.49 9859/36
- 11744
p.13

Had an additional Executive Engineer been posted as proposed under this office No.G-108 dated the 8th January 1949 with additional Deputy Engineers, not only would the above selection of sites of dams have been completed ere now, but other similar items involving crores of rupees of expenditure would have been taken in hand and their investigation completed, resulting in reducing costs by improving alignments and -- designs. This could not be done for want of staff and sanction to posts of Gazetted ranks.

- B - In the designs for dams, the design of the cross-section of the dam itself is most important. A slight negligence in this matter increases the cost by 10 to 25%. Various new theories have been put forward and many new dams are under construction and from which we can learn. A visit to these dam sites and study of designs being adopted by them will allow us to bring our designs on most up-to-date lines resulting either in - saving in money or avoiding possible mistakes as envisaged by new theories.

This cannot, however, be done by expecting one Executive Engineer (Irrigation Projects -- Division(South)) and one overseer attached to his office to tackle this. They have hardly time to look to the large amount of correspondence necessitated by the present rules and regulations.

The only way out is, therefore, to have a special Deputy Engineer attached to the office of the Executive Engineer, Irrigation Projects Division(South) and one more Technical Assistant to this office who will be commissioned only for this work being left free from the normal routine type of work.

4. What is true of design of dams is also true of designs of canals. I say this particularly of the Ghataprabha Left Bank Canal, miles 1 to 44.

If Government desire that we should construct the Ghataprabha Left Bank Canal as designed by the Executive Engineer, Dharwar, in the year 1924, that can be done. All I would like to record is that these old designs are in many cases out-of-date as we have discovered many mistakes in our old theories. Actually much could have been done regarding this in the last year but we were handicapped due to the peculiar distribution and allotment of overseers to certain Sub-Divisions. Thus the Daddi Head Works and Ghataprabha Left Bank Canal Sub-Division was allotted only two overseers and three sub-overseers. This staff was busy with investigation of alternative sites of dams, leaving no staff for investigating into and studying the possibilities of economic designs for the weak links in the old designs of Ghataprabha Left Bank Canal.

5. Most of my attempts to achieve the above by way of getting sanction to more staff in some form or other, e.g. by way of a separate Director for Irrigation Research Division for Karnatak and an Assistant Director, one for Statistics, and one for Hydro-Dynamic Research Station, met with failure.

Actually I still stand convinced that Government are losing by crores by not finding staff for my existing two Divisions and by refusing sanction to the Executive Engineer, Research and Hydro-dynamic Research Station. *that is not the point under discussion + I therefore leave it at that.*

6. To add to this, we have now got to change our method of construction by using machines. Our staff is not experienced in machines, their types, uses and specifications. If the Executive Engineer and this office look to the work as addition to the routine work, we are bound to make -- mistakes in purchasing wrong types. Special staff is -- essential for this, so that they will apply themselves full time in studying the specifications, uses etc.

7. Taking into consideration all this, I consider the following additional staff as minimum required :-

	Deputy Engineers	Graduate overseers	Clerks
Office of the Superintending Engineer, Karnatak Irrigation Circle	1	2	1 Office Superin- tendent 2 Senior clerks.
Office of the Executive Engineer, (for designs of Ghataprabha Left Ghataprabha Bank Canal Division. Left Bank Canal)	1	2	2 Senior clerks
	1 (mechanical)		
Office of the Executive Engineer, Irrigation Projects Division (South)	1	2	--

*Supd B.
7:30 2-1/4
1 2*

This is in addition to the Mechanical Executive Engineer about whom I have written under this office No.G-108 dated the 8th January 1949 but covers the demands under this office No.G-38 dated the 8th January 1949. *-f.1*

8. As the important work of Ghataprabha Left Bank Canal costing 5.1/2 crores has been sanctioned, there should be no delay in sanctioning the above, particularly as -- Government have now many Deputy Engineers on hand, on the recommendation of the Public Service Commission.

I need only add that any delay in appointing the staff will cost us 100 times in the form of actual extra cost to Government in works, due to defects left in designs and mistakes made in choice of machines etc.

I need only refer to arrangements at construction of dams like Tungabhadra in ~~Madras~~ and that will show that my demand is only reasonable.

Supd B.

Superintending Engineer,
Karnatak Irrigation Circle.

File No. 985/36
11/4/49

p. 3

2. In his letter No.G.38, dated the 25-12-48 the S.E., K.I.C., had recommended that the two tempy.Dy.Engrs. (viz Messrs.S.M.Magdum and T.K. Mani) allotted to his circle may be attached ^{each} one to his own office and ~~the other to the~~ office of the Ex.Engr., Ghataprabha Left Bank Canal Dn. In the absense of sanctioned posts the S.E's proposal ^{was} ~~could~~ not be approved and he was asked to submit detailed proposals for the creation of two addl. posts of Dy.Engrs., one for his own office and the other for the office of the Ex.Engr., Ghataprabha Left Bank Canal Dn.-vide para.4 of G.L.No.9859/36-III-E (I), dated the 26-1-49 and paras.4 and 5 of the O.N. underlying it. Accordingly the S.E. has now submitted the proposals for the creation of addl. posts. For the reasons stated in his letters under disposal the S.E. requests sanction to the creation of the following addl. posts for his circle.

	<u>Posts.</u>		
	Dy.Engrs.	Graduate Overseers.	Clerks.
I Office of the S.E., K.I.C.	1	2	1 Supdt. 2 Senior Clerks.
II Office of the Ex.Engr., Ghataprabha Left Bank Canal Dn.	2 (one civil for designs of Ghataprabha L.B.Canals & the other Mechanical).	2	2 Senior Clerks.
III Office of the Ex.Engr., Irrn.Projects Dn.(South).	1	2	

3. One post of Dy.Engr. is already sanctioned for the office of the S.E., K.I.C., as in the case of other S.Es. No other S.E. has two Dy.Engrs. attached to his office. As regards the Dy.Engrs. for the offices of the Ex.Engrs.

in...

in the K.J.C. it may be stated that only in the case of heavy Dns. a Dy.Engr. is attached to the offices of the Ex.Engrs. of Those Dns.

4. With reference to portion marked 'X' in para.3 of the S.E.'s letter under disposal it may be stated that the S.E.'s proposal for the creation of a Mechanical and Electrical Dn. has been postponed for the present and it has been proposed to sanction a Mechanical Sub-Dn. in its stead. The S.E. has been informed accordingly and he has been asked to submit his proposals reg. establt. required for the Sub Dn. -vide G.L.No.201/48-E(I), dated the 21-2-49 and the notes underlying it. If this Sub Dn. is attached to the Ghataprabha Left Bank Canal Dn. the post of Mechanical Dy.Engr. proposed by the S.E. for the office of the Ex.Engr. Ghataprabha L.B.Canals Dn. (vide item II in para.2 above) would not, it seems, be required.

5. In the circumstances orders are requested on the S.Es proposal for the addl. posts of Dy.Engrs. ~~for~~ and his office and for the offices of the Ex.Engrs. in his circle. If it is decided to sanction addl. posts, the papers will be reld. u.o. ^{to the} ~~with~~ F.D. for its concurrence.

Thro. E.B.(II).

8-3-49.
9.6 The clerical strength sanctioned for the office of the S.E. K.J.C. is as per acct. to G.R. P.W.D. No. 8974/36, dated the 19.12.47. In no other circle there is a post of an office Super for the circle office. The S.E. has not justified the necessity for addl. clerks. His request, many, if app., be negatived.

8-3-49.

7/9 am afraid that sanctioning 3 additional posts of Dy Super, one for the

no.

S.E.'s office and one for each of
 the two Ins. Engineers under the S.E./K.I.C.
 will not take us much farther, because
 it will be very difficult to find
 really suitable Dy Engineers to fill in
 these posts.

It is therefore preferable to
 sanction additional number of overseers
 in these offices, since the increased technical
 work require such a step. We may
 therefore accept the S.E./K.I.C.'s proposal
 contained in para 4 of his letter
 N. Q. 38 dated the 8/1/1949 and
 sanction the following additional posts of overseers

- 2 in the S.E./K.I.C.'s office
- 2 in the office of the Ins. Engr.
 Irrigation Project Dn (Sukh)
- 1 in the office of the Ins. Engr.
 Chhatprabha Left Bank Canal Dn.

I agree with para 6 of the O.M.

14/13

I think it will be preferable to have a Dy
 Secy (J) Engineer to SE's office & ^{one} in
 the Engr's office. 10.3.49

Office of the Executive Engineer,
Irrigation Projects Dn. (South),
Temple View, Malmaddy,
Dharwar, 16th June 1949.

To

The Assistant Secretary
to Government of Bombay,
Public Works Department, Bombay.

Subject :- Shifting of the office of the
Executive Engineer, Irrigation
Projects Division (South) from
Belgaum to Dharwar.

Reference: Your letter No.9252/36-A(11) dated the 7th June
1949.

2. The letter under reference was received at Bungalow No.17,
Fort, Belgaum, from whence it has been received here at Dharwar
re-directed.

3. It is seen that some post intended for this office is
being sent as yet to the Belgaum address instead of to the Dharwar
address. My office has been shifted from Belgaum to Dharwar where
it is now functioning at the above mentioned address from 18.2.49
B.N. as already communicated in this office No.G-5(c)/CR/300 dated
the 18th February 1949.

4. I have therefore to request you that all post and Govt. Resolutions etc. intended for this office may kindly be arranged to be sent hereafter to the Dharwar address given at the top.

The Soil Research Sub-Division along with the necessary staff has been sanctioned by Government under the Irrigation Projects Division(South) upto 28-2-49 vide G.E.P.W.D.No.9252/36-E(I) dated 23-7-48. As it may take more than two years to fulfil the purpose for which the Sub-Dn. has been created, it is requested that Government approval to continue the Sub-Division with the staff already sanctioned ~~with the staff~~ as shown in this statement, for two years more i.e., upto.28-2-51 may please be obtained as an interim arrangement.

The post of the Soil Physicist being a permanent one, is not included in the statement, as the question of continuance of the post does not arise as per para 3 of G.L.P.W.D.No.6717/36-E(I) of 6/9-4-1948.

This Sub-Division has been sanctioned under Govt. Letter P.W.D.No. 9492/36-E(I) dated 27-7-48 upto 28-2-49 under Irrign. Projects Divn. (South), Belgaum. But as per orders contained in Govt. Letter P.W.D.No. 9292/36-E(I) of 12-10-48 the Sub-Division is attached to the office of the Supdg. Engineer, Karnatak Irrigation Circle. As the continuance of this sub-division is essential for completing all the reconnaissance work which may require at least ~~two~~ two years, it is requested that Govt. may please be moved to continue the existing sanction for a further period of two years upto 28-2-1951.

No. G-47

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 5th Jan. 1949.

To

The Secretary to Government,
Public Works Department,
Bombay.

Subject: Continuancy of Temporary establishment
in the Karnatak Irrigation Circle beyond
the period of 2 years with effect from
1st March 1949.

R I am to submit herewith a statement showing temporary establishment sanctioned upto 28-2-1949 in the Special Investigation Circle. The continuance of the temporary establishment as shown in the accompanying statement beyond the period 28-2-1949 is necessary in the interest of Government work for the reasons stated in column 5 of the statement.

2. It is therefore requested that Government may kindly be moved to accord sanction to the continuance of the temporary establishment as shown in the accompanying statement for a further period of two years for the establishment under "50 Civil Works Provincial P.W.R. & Dev. Programme" and three years for the establishment under XVII-A.I.M.E. & D. Works with effect from 1-3-1949 for the reasons mentioned in column 5 of the statement.

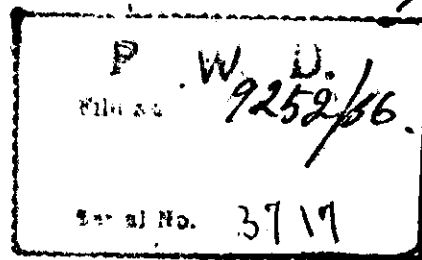

P.T.O.

3. ~~It~~ Pending Government sanction to the ~~exte~~ continuance of the Temporary Establishment shown in the statement, I am allowing the Executive Engineer, Irrigation Projects Division (South) and the Executive Engineer, Ghataprabha Left Bank Canal Division to entertain the same from 1-3-49 which may kindly be approved.

BR/10-1.

E.B.(II).

P.W.D.

The S.E.,K.I.C., requests for the continuance of the Sub. Dns. and the tempy. estab. as noted in the accompanying statements. *p/p 2-5*

2. Office of the S.E.,K.I.C.:- In G.L.No. 7573/36-E(II), dated the 5/10-3-48 an additional tempy. post of a Sr. Accounts Clerk has been sanctioned *purely as a tempy. measure* upto the 28-2-49 by reducing one of the three posts of Jr. Clerks sanctioned for his office. The S.E. for the reasons given in col.5 of the statement *p.2* within, request that the post of the Sr. Accounts Clerk may be continued for a further period of two years without reducing the post of the Jr. Clerk. The S.E.'s statement that in normal P.W.D. circle, office two posts of Sr. Accounts Clerks are sanctioned is not correct. Even in the office of the S.E.,S.G.C., which is newly created in G.R.No.9493/36, dated the 29-9-48, only one post of Sr. Accounts Clerk has been sanctioned for the Circle office. The S.E.'s proposal to sanction the Sr. Accounts Clerk's post without reducing the Jr. Clerk's post may, therefore, be negatived. The addl. tempy. post of the Sr. Accounts Clerk may, however, be continued upto the 28-2-51 by reducing the Jr. Clerk's post.

3. Soil Research Sub.Dn., Dharwar:- In G.L.No. 9252/36-E(I), dated the 23-7-48, sanction was accorded to the creation of the Soil Research Sub-Dn., for Karnatak, for the period ending the 28-2-49 to carry out the following two specific works:-

- (a) Soil classification. . . .
- (b) Study of soils and sub-soils with their ...

their physical and chemical properties and suitability for drainage under perennial irrigation. The S.E., K.I.C., states that it may take more than two years to fulfil the purpose for which the Sub.Dn. has been created and requests that the Sub.Dn., with the staff, may be continued for a further period of two years upto the 28-2-51. The S.E.'s proposal to continue the Sub.Dn. may be approved.

x Ude / 15

yes 11/1/49

The subordinate estabt., sanctioned for the above Sub.Dn., is as shown on p. 3 of the S.E.'s statement except that instead of 6 Tapalis only 1 Tapali has been sanctioned vide G.L.No.8069/36-E(II), dated the 16-5-47. The estabt. may be further continued upto the 28-2-51 along with the Sub.Dn.

x 6 appears to be an error in typing. It should be only one Tapali
p. 38 p. 38
8069/36

4. Reconnaissance Irrign. Projects Sub.Dn.:-

In G.L.No.9492/36-E(I), dated the 27-7-48, sanction was accorded to the creation of the Reconnaissance Irrign. Projects Sub.Dn., for Karnatak, with the estabt. mentioned in the S.E.'s statement at p. 4 within, for a period upto the 28-2-49 to indicate possibilities and selection of projects. The Sub.Dn. was also entrusted with the work of investigation of the underground water resources of the Southern Circle. The S.E. states that the continuance of the Sub.Dn. is necy. for completing all the reconnaissance work and requests that the Sub.Dn. and the estabt. thereunder may be continued for a further period of two years upto the 28-2-51. The S.E.'s proposal may be approved.

Finance Department (P.W.R.I)

It would have been better if the P.W.D. had put up draft orders. However the proposals made by that Deptt. may be accepted subject to the following remarks.

2(i) The scales of pay mentioned against the posts of Sub-overseers or Surveyors and Auger-cum-Guage Karkuns are different from those sanctioned in G.L. P.W.D. No. 9492/36-E(1) dated 27-7-48. Unless authority for the revised scales proposed for these posts is shown, we may suggest that these posts should be continued on the sanctioned scales mentioned in the letter of 27-7-48.

(ii) The post of Canal Karkun in the G.L.B. Canal Division is sanctioned only for 4 months during the year. It is now proposed to sanction it for the full year. Detailed justification for this has not been given on these papers. We may ^{suggest} ~~request~~ that it should be continued on the same condition, i.e., for 4 months only during the year for the present.

(iii) It seems desirable to sanction continuance of the establishment for a further period of one year ~~only~~. This will afford an opportunity to review the position at the close of the year, and to reduce some posts if found necessary in the light of circumstances then obtaining. We may therefore suggest that all the posts may be continued for a further period of one year ^{only} ~~only~~ ^{in view of first instance}.

3. Please see para. 7 of the P.W.D. office note dated 10-2-49. The necessary provision for the temporary posts has been made in next year's budget estimates.

Resubmitted with refce. to G.L.No.9252/36-E(II), dated the 1-3-49 and the notes underlying it. *pb 9.12*

2. It has been proposed in these papers to continue the two Sub.Dns. viz. (1) Soil Research Sub.Dn. and (2) Reconnaissance Irrigation Projects Sub.Dn. and the temporary establishment as detailed in the statement at pp. *2-5* within, for a further period of one year upto the 28-2-50. For detailed proposals, please see O.N. *p 3-10* dated the 10-2-49. The F.D. has agreed to the proposals subject to the following remarks: *p 12*

In G.L.No.9492/36-E(I), dated the 27-7-48, pay-scales for sub-overseers or Surveyors and Auger-Cum-Guage Measurers (and not Karkans as stated by the F.D.) are *p. 12* shown as under :-

Sub-Overseers or	)	Scale of pay.
Surveyors.	)	Rs. 61-3-85-E.B.-4-105-
	)	E.B.-5-130.

Auger-Cum-Guage	)	Rs. 46-3-70.
Measurers.	)	

p. 4

While in the statement submitted by the S.E., K.I.C., the pay-scales are shown as 70-3-85-E.B.-4-105-E.B.-5-145 and 46-3-85 respectively.

3. It may be explained in this connection that the pay-scale for Sub-Overseer has been revised from Rs.61-3-85-E.B.-4-105-E.B.-5-130 to Rs. 70-3-85-E.B.-4-105-E.B.-5-145. vide G.L.No. 9569/36-E(II), dated the 23-7-48. The pay-scale of Rs.46-3-85 for Auger-Cum-Guage Measurers should be Rs.46-3-70.

4. As the budget for 1949-50 is passed the draft put up may issue, if approved. The papers

may.

may be shown u.o. to the F.D. before submission to
the H.M., B.W.D.

27-6-49.

No.9252/36-E(II).

P. W. D.,
B.C., 19th June 1949.

To The S.E., K.I.C.

Subject: Continuance of tempy.estabt.

Reference: Correspondence ending with G.L.
No.9252/36-E(II), dated the 1-3-49.

2. Govt. is pleased to sanction the continuance of the Soil Research Sub.Dn. and the Reconnaissance Irrign.Projects Sub-Dn. and the estabt. as shown in the statement accompanying your letter No.G.47, dated the 15-1-49, for a further period of one year, upto the 28-2-50, subject to the following remarks. :-

- (1) The addl.temporary post of Sr.Accounts clerk sanctioned in G.L.No.7573/36-E(II), dated the 5/10-3-48, should be continued upto the 28-2-50, by reducing one of the three sanctioned posts of ^{Sr.}clerks.
- (2) Only one post of Tapali, and not 6 posts as shown in the statement, has been sanctioned for the Soil Research Sub-Dn. under G.L.No.8069/36-E(II), dated the 16-5-47.
- (3) The post of the Canal Karkun (Sub-Dnl.) sanctioned in G.L.No.P-190/32/11080-E(II), dated the 15-4-48, for four months in Kharif season only should be continued on the same condition.
- (4) The pay-scale for Auger-Cum-Guage Measurer is Rs.46-3-70 and not Rs.46-3-85 as shown in the statement.

Telegraphic Address—ACCOUNTS.

No.D.A.IX-3C/1855

It is requested that in future communications on the subject, the No. and date of this letter, and the distinguishing letters above the No. as given opposite, may be quoted, and the reply addressed to—

THE ACCOUNTANT GENERAL,
QUEEN'S ROAD, BOMBAY.

Bombay the 22 Oct. 1949

FROM

THE ACCOUNTANT GENERAL,
BOMBAY.

To

The Secretary to the Govt. of Bombay,
P.W.D. Bombay.

SUB:- Tmpy. Staff sanctioned for the Karnatak Irrigation
SIR, Circle.

b17 I have to invite a reference to the correspondence ending
with your letter No.9252/36-E(II) dt. the 19th July 1949 addressed
to the Superintending Engineer, K. Irrigation Circle according
sanction to the tempy. Estt shown in the statement accompanying
the Superintending Engineer's letter No.G-47 dt. 15-1-49 and to
state that the posts of 4 surveyors shown under IV Executive-
Sail Research Sub-Division, Dharwar in the copy of the statement
furnished to this office along with the copy of the letter do not
find a place in the earlier copy furnished to this office along
b14 with your letter No.9252/36-E-II dt. 1st March 1949 addressed
to the Superintending Engineer, Karnatak Irrigation Circle and
copy furnished to this office. The discrepancy may please be
reconciled.

Yours faithfully

Asstt. Accounts Officer.

Sub:— Continuance of temp. estab.

Re: your letter No. D.A. IX - SC/1855,
dated the 12-10-49.

2. The omission of the posts of 4 surveyors
from the statement forwarded along with
G.E. No. 9252/36-E (II), dated the 1-3-49, ^{p. 14} ~~may~~ ^{is}
~~apparently~~ ^{by} a typographical mistake. The posts of
4 surveyors have originally been sanctioned
in G.E. No. 9252/36-E (I), dated the 23-7-48, ^{p. 17}
and continued in G.E. No. 9252/36-E (II), dated
the 19-7-49.

Letter.

No.9252/36-E(II).

Public Works Department,
Bombay Castle, 31st October 1949.

To

The Accountant General,
Bombay.

Subject:- Continuance of temporary establishment.
.....

Reference: Your letter No.D.A.IX-Sc/1855, dated
the 12th October 1949.

2. The omission of the posts of 4 Surveyors from the statement forwarded along with Government Endorsement No.9252/36-E(II), dated the 1st March 1949, is apparently a typographical mistake. The posts of 4 Surveyors have been originally sanctioned in Government Letter No.9252/36-E(I), dated the 23rd July 1948, and continued in Government Letter No.9252/36-E(II), dated the 19th July 1949.

By order of the Governor of Bombay,

DMB
1/11/49 *6/c*
Assistant Secretary to the Government
of Bombay, Public Works Department.

HEAD OF ACCOUNT :- 50 CIVIL WORKS PROVINCIAL ORDINARY III. SUPERINTENDING ENGINEER, KARNATAK IRRIGATION CIRCLE.

1	Deputy Engineer.	220-15-400-E.B.-20-500-E.B.-25650.	Govt. Letter, P.W.D., No. 9252/36-E(I), dated 11-5-1949.	One post of Deputy Engineer as Technical Assistant II attached to the Circle Office sanctioned for a period of one year in the first instance is required to be continued for a further period of 1 year as the amount of technical work is on the increase.
2	Overseers.	80-5-100-8-140-E.B.-10-220-E.B.-10-270.	Govt. Circular Memorandum, P.W.D., No. P-50/30476, dated 8-6-1949.	Two posts attached to the Circle Office are sanctioned upto 28-2-1950 in the first instance, and it is necessary to continue these posts beyond the date for a further period of one year as the work of survey and construction are in full swing.
1	Senior Accounts Clerk.	100-8-140-10-150.	Govt. Letter, P.W.D., No. 9252/36-E(II), dated 19-7-1949.	Sanctioned by reducing one of the three sanctioned posts in the grade of Rs 92-8-140. In view of the increase in the work of the Circle Office, the post of Senior Accounts Clerk may be allowed to continue in addition to the three sanctioned posts of clerks

in the grade of Rs-92-8-140 for a period of 1 year beyond 28th February, 1950.

HEAD OF ACCOUNT :- 50-CIVIL-WORKS-PROVINCIAL ORDINARY IV, EXECUTIVE.
GHATAPRABHA LEFT BANK CANAL DIVISION, DHUPDAL.

Deputy Engineer. 220-15-400-E.B.-20-500-E.B.25-650.
Govt. Letter, P.W.D., No. 9252/36-E(I), dated 11-5-1949.

The Deputy Engineer sanctioned for the Divisional Office has been a great relief to the Executive Engineer, in that he is not only entrusted with the technical matters, but also with the routine office matters, thus relieving the Executive Engineer of major part of the routine work. More or less he helps the Executive Engineer to run to a great extent the routine administration of the Division thus leaving the Executive Engineer to devote more attention to the Construction work. The post is quite essential for smooth

This Subdivision has been sanctioned under Govt. Letter, P.W.D., No. 9252/36-E(I), dated 27-7-1948 upto 28-2-1949 under Irrigation Projects Dn. (South), Dharwar, but as per Govt. Letter, P.W.D. No. 9252/36-E(I), dated 12-10-1948, the Subdivision is attached to the Office of the Superintending Engineer, Karnataka Irrigation Circle, Dharwar, and further continued upto 28-2-1950 vide Govt. Letter, P.W.D., No. 9252/36-E(II), dated 19-7-1949. As the convenience of the Subdivision is essential for completing all reconnaissance work which may require at least one year, it is requested that Government may please be moved to continue the existing establishment for a further period of 1 year upto 28-2-1951.

administration of the Division and is recommended for continuation.

MECHANICAL SUBDIVISION.

- Deputy Engineer. 220-15-400-E.B.20-500-E.B.-25-650.
- Mechanical Overseeers. 80-5-100-8-140-E.B-140-92-8-140.
- Senior Clerk. 46-3-85-4-105.
- Junior Clerk. -do-
- Tracer. 70-5-100-8-140-10-150.
- Store-keeper. 30-1/2-35.
- Inferior servants.

Govt. Letter, P.W.D., No.201/48-E(I), dated 16-6-1949.

With the incoming machinery which, it is expected would cost about Rs 13 to 15 lakhs, the Mechanical Subdivision is not only indispensable for the proper maintenance, operation and repairs of the machinery but will have to be supplemented by giving more additional staff for efficient working. The machinery is costly and varied such as Tractors, Bulldozers, Shovels, Compressors, and Rock drills, over a dozen motor vehicles, boring machines pumping sets, etc., and for its maintenance normal repairs, a fully equipped workshop is also maintained. It is impossible to keep this Mechanical Subdivision equipment operating satisfactorily and economically without a Mechanical Subdivision. Continuanace of the Subdivision is, therefore, recommended.

- Overseer. (attached to Division office) 80-5-100-8-140-E.B-10-220-10-270.
- Asstt.Store-Keeper. 46-3-85-4-105.
- Store-Coolie. 30-1/2-35.
- Tapallies. -do-

Govt.Circular Memorandum, P.W.D., No.P-50/30476, dated 8-6-1949.

With the increased work on account of machinery and correspondence in connection therewith, the additional posts of one overseer, one Asstt. Store-keeper, one Store-coolie and two tapallies, are quite essential during the next year also and they are recommended for continuance.

- Store Clerk. 70-5-100-8-140-10-150.
- Store coolie. 30-1/2-35.

Govt. Letter, P.W.D., No.P-190/7/30418-E(II), dated 10-5-1949.

The posts of a Store-clerk and a Store-coolie are also essential for the above reasons. They may be continued for the period of one year upto 28-2-1951.

Govt. Letter, P.W.D.,
No. 9252/36-E-(II),
dated 19-7-1949.

(a) With the introduction of "Grow More Food Campaign", the area irrigated in the Gokak Canal has increased considerably and there is no likelihood of any decrease in areas under food crops for some years and hence the supplementary staff is necessary to cope up with the additional work. It is requested to continue the posts for a period of 3 years beyond 28-2-50.

(b) The post of a Canal Karkun sanctioned for 4 months in Kharif season is necessary to continue further for the whole year to cope up with the heavy work for a period of 3 years.

80-5-100-8-140-E.B.-10-
220-E.B.-10-270.

Govt. Circular Memorandum,
P.W.D., No. P-50/30476,
dated 8-6-1949.

Two posts attached to the Circle
Office are sanctioned upto 28-2-1950
in the first instance, and it is
necessary to continue these posts
beyond the date for a further period
of one year as the work of survey and
construction are in full swing.

Senior Accounts
Clerk.

100-8-140-10-150.

Govt. Letter, P.W.D.,
No. 9252/36-E(II),
dated 19-7-1949.

Sanctioned by reducing one of the
three sanctioned posts in the grade
of Rs 92-8-140. In view of the increase
in the work of the Circle Office, the
post of Senior Accounts Clerk may be
allowed to continue in addition to
the three sanctioned posts of clerks

in the grade of Rs 92-8-140 for a period of 1 year beyond 28th February, 1950.

One post of Deputy Engineer attached to the Divisional Office sanctioned for one year in the first instance is -- required to be continued for a further period of one year as the amount of survey work in the Irrigation Projects Division (South) is in full progress.

Two posts of overseers -do- -do-.

The Soil Research Subdivision, along with necessary staff has been sanctioned by Government under Irrigation Projects Division (South) upto 28-2-1949, vide Govt. Resolution, P.W.D., No. 9252/36-E(II), dated 23-7-1948 and further continued upto 28-2-1950 vide Govt. Letter, P.W.D., No.9252/36-E(II), dated 19-7-1949. As it may take more than one year to fulfil the purpose for which the Subdivision is created, it is requested that Government approval to staff already sanctioned as shown in the statement for one year more i.e. upto 28-2-1951 may please be obtained as an interim arrangement upto which the continuance of this Division is sanctioned.

The post of Soil Physicist being a permanent one, is not included in the of continuance of the post does not arise

XVII IRRIGATION N.E. AND D. WORKS:-
GHATA PRABHA LEFT BANK CANAL DIVISION, DHUWAL.

Additional

Wesley

Weir Khalashi.

Canal Inspector.

Canal Karkun.

1941

George.

46-3-70.

30-1/2-35.

46-3-70:

46-3-85.

W-3-0-0

4043-8)

Govt. Letter. P.W.D.

No. 9252/36-F-(II).

dated 19-7-1949.

(a) With the introduction of "Grow More Food Campaign", the area irrigated in the Gokak Canal has increased considerably and there is no likelihood of any decrease in areas under food crops for some years and hence the supplementary staff is necessary to cope up with the additional work. It is requested to continue the posts for a period of 3 years beyond 28-2-50.

(b) The post of a Canal Karkun sanctioned for 4 months in Kharif season is necessary to continue further for the whole year to cope up with the heavy work for a period of 3 years.

OFFICE OF THE SUPERINTENDING ENGINEER,

Karnatak Irrigation Circle:

CV DHARWAR, dated 26th Jan. 1950.

FROM

SUPERINTENDING ENGINEER,

Karnatak Irrigation Circle;

To

The Secretary to Government,

Public Works Department,

Bombay-1.

Subject :-

Continuance of Temporary Establishment in the Karnatak Irrigation Circle, beyond 28th February, 1950.

I am to submit herewith a statement showing Temporary Establishment sanctioned upto 28th February 1950 in the Karnatak Irrigation Circle. The continuance of the Temporary Establishment as shown in the accompanying statement, beyond the period 28th February, 1950 is necessary in the interest of Government work for the reasons stated in the column No.5 of the statement.

2. It is, therefore, requested that Government may kindly be moved to accord sanction to the continuance of the temporary Establishment in this Circle with effect from 1st March, 1950 as per accompanying statement.

3. Pending Government sanction to the continuance of the Temporary Establishment shown in the statement, I am allowing the Executive Engineer, Irrigation Projects Division (South), Dharwar and the Executive Engineer, Ghataprabha Left Bank Canal Division, Dhupdal, to entertain the same from 1st March, 1950, which may kindly be approved.

Superintending Engineer, K.I.C.

D.A.: 1 Statement
(in duplicate).

Copy forwarded with compliments to the

- (1) Executive Engineer, Irrigation Projects Division (South), Dharwar,
- (2) Executive Engineer, Ghataprabha Left Bank Canal Division, Dhupdal,

with reference to their Nos. G.R.10(c)/CR/267, dated the 13th January 1950, and No. G-55, dated 19th January, 1950 respectively.

GEK/25-1.

No. G-47

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 3 Feb. 1950.

To

The Secretary to Government,
Public Works Department, Bombay.

Subject :- Continuance of Temporary Establishment
in the Karnatak Irrigation Circle
beyond 28th February 1950.

Reference: This office No. ³⁻¹³G-47, dated 26th January 1950.

2. The following establishment which was transferred to the Ghataprabha Left Bank Canal Division along with Gokak Canals is being sanctioned on annual basis.

	<u>Scale.</u>
Serial No.-1.	One Additional Measurer. 46-3-70
2.	One Gauge Karkun. 46-3-85
-3.	One Canal Karkun. 46-3-85
-4.	Two Canal Inspectors. 46-3-70
5.	Three Patkaries. 30-1/2-35-1-40
-6.	One Weir Khalashi. 30-1/2-35

Serial numbers 1, 3, 4 and 6 have already been included in the statement accompanying this office No. quoted above.

3. Serial No. 2 and 5 viz. one Gauge Karkun and three Patkaries remained to be included in that statement.

4. Government may kindly be moved to sanction the above establishment for a period of 3 years beyond 28th February 1950 in view of the reasons already stated in column 5 of the statement.

D-5.

FINANCE DEPARTMENT
File No.
Date
Serial No. 20-2-50

The P.W.D. proposed to continue upto 28th February 1951 the establishment mentioned in the foregoing note, may be agreed to, subject to the following remarks.

2. Circle Office:- By G.L. 9252/36-E(11), dated 19th July 1949, the post of senior Assistant Clerk was continued upto 28th February 1950, by reducing one of the three sanctioned posts of junior clerks. The S.E. now proposes that the post may be continued in addition to the three posts. In the absence of detailed justification, F.D. may not accept the proposal. The post may be continued in place of one junior clerk.

3. As regards 'Soil Research' and the 'Reconnaissance' sub-divisions, the S.E. has merely stated that they are required to be continued as the work they were expected to do is still to be done. It is presumed that the P.W.D. is satisfied in this respect.

4. The necessary provision on account of these temporary posts has been included in the next year's budget estimates.
